DETAILED ACTION

1. Applicant's responses filed on 08/23/2004 and 07/15/2004 have been fully considered. The Claim Objection, the 35 USC 102 rejection, and the 35 USC 103 rejection have been withdrawn in view of Applicant's amendments and comments.
2. Claims 1 and 23-28 are amended, and thus claims 1-28 are pending. (NOTE: Claims 4-22 are still withdrawn from consideration as non-elected invention).

Double Patenting

3. Claims 1, 2 and 23-28 are provisionally rejected under the judicially created doctrine of double patenting over claims 1-5 and 13-23 of copending Application No. 10/040,742.

Applicant indicated that a Terminal Disclaimer has been submitted to overcome the provisional rejection, however, the Office has never received such document.

Allowable Subject Matter

4. Claim 3 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Furthermore, the closest art Aoki (EP 0 693 587 A2) teaches an ink jet printing cloth comprising a textile support and a coating composition having a water repellent and a hydrophilic agent. Aoki neither teaches nor suggests that the coating composition comprises a combination of a water repellent material, a cationic material and a sorbant polymer.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
